A note to the Hounds

Another Hounds tournament is in the record book - 2 major highlights stand out regarding the 2000 tournament. First is the presence of our sponsor Mad Dog Roberts with his authentic old country accent and charm, and his fine hosting of the scotch tasting with the 15, 18, and 21 millennium vintage Glenfiddich. Second is the eagerness the lads displayed in taking up the Scottish regalia, it was a sight to see the muted colors of the kilts and the bright red bob on the tams trudging up and down the links of Fundy.

Congratulations to the winners, may they sip Glenfiddich in good health all winter, as well the rest of you rouges need to keep up your Glenfiddich intake to ensure a good showing next year. Plans are in the works for the Hounds to visit the Glenfiddich distillery in Banffshire to sip whiskey and play golf in the spring of 2002 - more to follow
