A note to the Hounds

The sponsors out did themselves this year. House Dog for chowder lunch, Big Dog for steaks that are still being talked about today and Burnt Dog for a fireworks show that included roman candles the size of your wrist. We also extend our thanks to William Grant and Sons for their superb whiskey, and to our Glenfiddich rep Eric Manning (Scottie Dog) for his contribution of product, prizes and comradery. Best wishes to Tony Mad Dog Roberts at the home office who was unable to make the tournament but offered congratulations to the lads on the deck at Good Head via cell phone. Have a good winter lads and may your lips be blessed with many tumblers of Glenfiddich.
