## Final Tally - 6th Annual Match - September 20, 2003

The days leading up to the match were threatened by Hurricane Isabelle, but the bitch veered east over Nova Scotia Friday night and the tournament was played under glorious blue sky.

Final Tally - 6th Annual Match - September 20, 2003

## Summary Note

The Centennial rouges have been brought to their knees, they want to amalgamate the tournaments and we have made it clear: 1.) We want the 10am tee time, 2.) We want the carts, 3.) We want their women at the end of the match (maybe).

Burnt Dog put on an outrageous fireworks display. He got his paws on mortars that were spectacular, over the top Reggie! Burnt Dog also posted a personnel best golf score walking away with the low net trophy. (features a Mack Truck Grill and Bulldog)

Lennie crafted the markers for L.D. & K.P. that would make Tokien envious. Moon Dog also became the first knighted hound for his full monty tumble that has attracted fans from main stream Alma

The food served this year was exceptional. MMH served up a great chowder for lunch and the MacIntyre men prepared a steak dinner and pies.

Scottie dog represented the Grants in fine style again this year, particularly the addition of the Nuni Solera was a treat.

We had some great out of town hounds. Team B.C. was represented by Greyhound making his fifth consecutive match and Chi Hua Hua his third alternate year appearance, Dash hound his first and Bull Dog with team Saskatoon returned for his third straight year.

Have a great winter lads.
